### MESSAGE

I would like to extend my hearty welcome to all those who are seeking admission to the various programmes of Kumar Bhaskar Varma Sanskrit & Ancient Studies University.

Our society stands amid bleary lines involving an ever augmenting career related competition as well as erosion of public ethics, morality and integrity. The changing contour of our collective consciousness is an indication of the anxiety that the young generation is embedded in. This necessitates an environment of education that allows the young minds to both prepare for a decent career as well as inculcate the moral values. The Kumar Bhaskar Varma Sanskrit & Ancient Studies University, Nalbari is a new academic institution of its kind that strives to deal with both of these aspects. It was established with the primary objective of furtherance of knowledge, both Oriental and Occidental. Notwithstanding the limited material resources, the University is committed to continue its efforts to extract the best of abilities within the students. Further, the University strives to inculcate amongst the young minds, a sense of responsibility to cater to the needs of greater social issues and challenges.

Along with FYUGP and One Year Integrated Master Programme and choice-based credit system, the university has also introduced Ph.D programme in various discipline. In this prospectus we have tried to provide some information about the university for your convenience.

I wish you a very significant stay in our university in the days to come.

विद्यातपोभ्यां भूतात्मा बुद्धिर्ज्ञानेन शुद्ध्यति॥

(Prof. Pralhad R. Joshi)  
Vice Chancellor

The motto of the University "SARASWATI SRUTIMAHATAM MAHIYATAM" (May the sayings of the wise be glorified) which is a quotation from Kalidasa, is also inscribed.

The University has adopted a Kalidasean line meaning "may the sayings of the wise be glorified", as its motto. Knowledge is an eternal entity and dissemination of knowledge is what a university stands for. The motto is inscribed on a wrapped sheet of paper at the middle of the emblem. The quill used as writing pen even till a few decades ago and the two burning earthen lights indicate the process of learning, which is as pure and bright as the sun, inscribed at the centre. The five concentric circles be taken to suggest that knowledge/ learning can be had of with the five organs, both sensory as well as cognitive. Moreover the shade of saffron colour spreading towards the circumference is an indication that knowledge is meant for expansion with no boundary at all, the fact applicable in regard to the purpose of a University.
